Trial Field

- Breakfast and lunch will be available at the trial grounds
- Following the start of the trial (after the draw) **NO** pinch or electric collars are to be used on any of the trial fields (this includes stadium and tracking grounds)
- A competitor may NOT wear a training vest or jacket (ie; gappay) or similar attire, for any phase when competing in a sanctioned USCA event.
- All flights will start at the designated time. Flights may move faster than usual so please be at the field at the start of the flight time, regardless of your position within the flight.
- All Tattoo/microchip checks will be done once you have competed and you are off the field at a designated area.
- At all times you will be required to either have a competitor wristband on and spectators will need to wear a wrist band to enter event area.
- If you have a female in season please let us know before practice.

Tracking Meet spot:

- Please be at the designated meeting spot 30 minutes prior to the start of your flight. IT IS ABOUT A 45 MINUTE DRIVE FROM THE HOTEL. PLAN ACCORDINGLY.
- Lines will be measured at meet spot.
- Tracking draws will be done at the tracking grounds

Scorebooks:

Scorebooks need to be turned into Michele Clubb at the general board meeting, for 2 hours after the meeting in the host hotel lobby, or upon arrival at the draw.

****Please make contact to let someone know you are coming to use training fields and please be respectful as these are also people's homes/business'.**

Practice Tracking: (These fields are not identical to the trial fields, trial fields are nicer)
PLEASE DO NOT USE BEFORE MONDAY OCTOBER 28th! If you arrive before then
and want somewhere to track please contact Kristi McGinty.

Breezy Heights Tavern
714 Washington Pike
Avella, PA 15312

Please be respectful of fields, and clean up after yourself and dogs.

Also stop in and eat/drink at the Tavern since the owner was kind enough to let us use his fields!

See Map:

Red line is farm road to drive/park on. Please leave room for car to get past you when parked but also don't park too far into fields, and if wet park in paved areas and walk!

Blue lines are areas that can be used for practice
